Dear Hiring Manager,

I am writing to express my interest in the software engineering intern position at Ripple. I am a highly motivated computer science student with a passion for developing innovative solutions to complex problems. My experience in software development, combined with my eagerness to learn, make me a strong candidate for this role.

As a CS graduate, I have honed my skills in multiple programming languages, including JavaScript, Python, Java, C++ and Rust. I have also had the opportunity to work on several projects, ranging from simple scripts to complex applications. These experiences have helped me develop strong problem-solving and critical thinking skills, which I am confident will be valuable assets in this role.

I am particularly drawn to Ripple because of its innovative technology and commitment to making a positive impact in the financial sector. I am eager to contribute to the development of Ripple's cutting-edge solutions and be a part of a team that is making a difference in the world.

Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications and enthusiasm for this role.

Sincerely,

Ashish Sonwane
MSc Computer Science Student
Swansea University
